26th March 2021

Dear parents and carers,

Once again, despite all the restrictions we find ourselves under, we have had a really busy term. Events this term have included World Book Day on March 4th, re-opening fully after lockdown and welcoming everyone back into school on March 8th, together with the partial re-opening of Breakfast Club to the children of our critical workers, and Parent Phone Consultation meetings. We have also been busy fund raising again – for school via the Easter raffles, with both class and overall prizes, and for Red Nose Day; a huge ‘Thank You’ to everyone who contributed raffle prizes, bought tickets and joined in with our non-uniform day to support these events. Congratulations to all the many winners in our Easter raffle – don’t eat all the chocolate at once! We will let you know how much we raised via Class dojo after the holiday.

I have received some queries as to when Breakfast Club will re-open fully. The honest answer at the moment is that I’m not sure, but we will do so just as soon as we are able to safely. Currently our main issues are staffing and safely maintaining the class bubbles, but I am working on solving these, so watch this space! Also queries about the return of after-school clubs, where the issues are the same. I am hoping to extend the Sport-Tec club with restricted numbers after the holiday, but it is unlikely that other clubs will run for a while.

I am not anticipating any alterations over the holiday to the guidance regarding covid-safety in and around school, but should there be any updates, these will be posted on the school website and you will be notified via class dojo of an updated risk assessment.

On behalf of all the staff, we wish you a lovely, restful Easter break and look forward to seeing you all again on Monday 12th April.

Best wishes,

A handwritten signature in black ink, appearing to read 'Juliet Nove'.
