Dear parents and carers,

I am in the process of updating the school risk assessment in preparation for our return to school on Thursday, and this will be published on our school website.

In the meantime, please see also the link below to Bradford Council information and guidance which answers many Frequently Asked Questions and squashes many of the awful rumours that sadly people feel the need to start spreading at these already stressful times. I will get a link to this guidance added to the website alongside the updated risk assessment also:

<https://www.bradford.gov.uk/education-and-skills/school-holidays-and-term-dates/faqs-back-to-school/>

Having read through all this information, should you then have any further questions please message me and I will endeavour to get back to you!

Enjoy the last couple of days of the summer holiday.  
Best wishes,
