9<sup>th</sup> October 2020

Dear parents and carers,

Hope you are all well.

I wanted to let you know that our Remote Learning Policy is being added to our school website today. This policy clearly explains the level of provision in each eventuality during these difficult times, and is a reference point for us all.

A link will be posted on class dojo if you are keen to have a read.

Hope you find it useful.

Just to let you know that we have the photographer coming into school next Tuesday, 13<sup>th</sup> October, to take the children's photos. This year we will do individual photos & in-school siblings (carefully managed with a cleaning regime in place between every photo). Unfortunately, we are unable to accommodate photos with pre-school age siblings this year. All photos will be taken in the morning, whilst your children hopefully still look smart (!) but please be aware that we are unable to help with hair etc due to current covid guidance. We will however, endeavour to make sure your child looks their best for their photo.

We currently have a vacancy for a School Parent Governor. If you would like to nominate another parent, or apply yourself, please see the letter attached for more information and an application form. If you require any further information, please contact the School office. We look forward to receiving your nominations.

Best wishes,

A handwritten signature in black ink that reads 'Juliet Nove'.
