Every effort is made to ensure that they have full access to the National Curriculum and are integrated into all aspects of the school. The SEN code of practice 2014 makes it clear that all teachers of pupils with additional needs receive Quality First Teaching (QFT). Children may require further support and intervention at SEND Support. Children who are still not making progress may require a referral to an external agency. They may also require further funding for additional support, adult intervention or specialist equipment in the form of Education Health Care Assessment (EHCA) leading to a legal document an Educational Health and Care Plan (EHCP). Laycock will use a graduated Approach – Assess, plan, do, review model to support pupils.
